Mr. Dovyak,

On behalf of Lieutenant-General Al Meinzinger, Commander of the Royal Canadian Air Force, I want to personally thank Winnipeg Amateur Radio Emergency Services for their support as a sponsor for the 2018 RCAF Run. Your organization's valuable contribution was paramount in making this year's run a great success.

Over the last ten years, the RCAF Run has continued to raise awareness and provide financial support to Support Our Troops. Your participation in this event directly benefits the servicemen and women and their families who rely on this charitable program to help them face the challenges that come with military service. You should be proud of your decision to support our veterans and their families and I encourage you to display the included certificate of appreciation with pride.

We are committed to making next year's run an even bigger success. It is your support that makes this possible, so I invite you to join us again on 26 May, 2019 at 17 Wing for what is sure to be our best run yet.

Thank you again for your continued support; we value our relationship with Winnipeg Amateur Radio Emergency Services and hope to see you at our fun filled, community focused event next year.
